

Library eBooks automatically expire at the end of their loan period.

However, you can return an eBook early if desired, either because you are finished with it or would like to remove it from your MRSPL Overdrive account to borrow another item.

How you return a MRSPL eBook depends on how you borrowed and are reading it...

Kindle eBooks:

Kindle eBooks cannot be returned directly through your Kindle (or Kindle app). Returns must be completed online through your Manage My Kindle feature in your Kindle/Amazon account.
(See inset for instructions!)

eBooks Transferred to a Reader Using Adobe Digital Editions

eBooks transferred to a Nook or other reader using Adobe Digital Editions also cannot be returned directly through the reader. Returns must be completed through Adobe on your PC/Mac.
(See inset for instructions!)

eBooks on Overdrive Media Console

eBooks on Overdrive Media Console (on your iPad, iPhone, or Android device) can be returned directly through the Overdrive Media Console.
(See inset for instructions!)
